Want Your Students To Become Active Global Citizens?
Look No Further!

WorldWise Global Schools (WWGS) is the national programme for Global Citizenship Education. It is a one-stop-shop for training, funding, resources and guidance for post-primary schools to engage in Global Citizenship Education.

SUBMISSION
DEADLINE:
28 FEB 2022

GLOBAL PASSPORT AWARD

The Global Passport Award is an EU recognised quality mark, which offers schools a framework to integrate Global Citizenship Education (GCE) into their teaching and learning.

Awards

There are 3 different types of Passport you can apply for depending on your school's level of engagement with GCE:

Citizens Passport
for emerging engagement with Global Citizenship Education

Diplomatic Passport
for established engagement with Global Citizenship Education

Special Passport
for exceptional engagement with Global Citizenship Education

What is involved?

Using an online application, you review and score your school's level of GCE activity across 6 categories (Passport 'Stamps'), providing examples for what your school is doing in each.

WWGS externally appraise the application. The final score achieved across all 6 stamps will determine which of the three Passport Award levels is awarded to your school.

What is Global Citizenship Education?

Global Citizenship Education enables students to acquire the knowledge, skills, attitudes and values necessary to become global citizens who take action to transform the world.

WorldWise Global Schools (WWGS) provides grant funding to assist Schools with activities and initiatives, which promote Global Citizenship Education.
